## General Information For All Products

For further details, visit [3M.com/promote](http://3M.com/promote)

also refer to the Conditions of Sale, Additional Charges and Product Specifications (pages 35–38) for each product.

### Artwork Charges:

If supplying artwork electronically, see page 44 for art preparation information.

- Templates: Call for printing and artwork guidelines, or visit [www.3M.com/templates](http://www.3M.com/templates).

### Cancellation Charge:

All orders are considered firm and cannot be cancelled except on written authorization from factory. If 3M's factory authorizes the cancellation, then 3M will charge the customer cancellation fee of **\$55.00 (X)** plus any accrued charges (artwork, proofs, materials, etc.).

### Ink Charges:

**PMS Inks:** Exact colour match cannot be guaranteed. No additional charge except fluorescent, special mix and metallic **(\$285.00 (G)** per colour). PMS inks not available for all products, see individual products for details.

### Insert Charges:

Call for pricing.

**NOTE:** Inserts or labels must arrive at the factory within **three (3)** days of a complete order/proof approval, or the delivery schedule will be affected.

### Intellectual Property:

When orders are printed to customer's specifications, the purchaser agrees to indemnify supplier and assume any liability resulting from actions or demands brought against supplier for infringement of any copyright, trademark or other intellectual property right. By placing an order, customer admits the validity and enforceability of the 3M trademarks associated with the product(s) ordered, acknowledges 3M's exclusive ownership of and exclusive right to use them, and acknowledges that any and all rights that might be acquired by any use of the 3M trademarks in connection with the resale or distribution of the ordered products shall inure to the sole benefit of 3M. Customer agrees that it shall not use or register in any country any domain name or URL that consists of, resembles, contains, or would be likely to cause confusion with or dilute the distinctive quality of any of 3M's trademarks.

### Labeling Charges:

3M supplied Non Bar Code labels available for **\$15.00 (G)** setup plus **\$0.15 (G)** per label.

### Overrun and Underrun Charges:

- Orders are subject to maximum 5% overrun/10% underrun.
- **Exact Quantity: 5% upcharge.**

### Paper Colours and Upcharges:

All paper colours are uncoated stock. See page 40 for list of available colours.

- **Recycled Paper Notes: 10% upcharge** — Meets Federal requirements for recycled content.
- **Neon/Ultra Paper Notes: 15% upcharge** — **NOTE:** It is highly recommended that black ink be used on Neon/Ultra papers.
- **Super Sticky Notes: 10% upcharge** — White paper only, uncoated stock. No imprint in adhesive area.
- **Notes Cubes:** Call for availability and pricing.
- **Value Priced Program:** White paper only.

### Pricing:

Pricing subject to change without notice. Prices are based on a single product configuration. The price for a particular product configuration will be determined by the total quantity of that product configuration on a purchase order requesting a single shipment. Orders requesting multiple shipments will be priced using the total quantity of that product configuration on each requested shipment. Orders for immediate shipment bill at the prices in effect on the order date. Orders specifying a future delivery are billed at prices in effect on the requested shipment date.

### Production Rush Charges:

**"Rush"** service may be available with handling charge — call for pricing and approval. 3M will make a good faith effort to ship orders within the published production times.

### Quantity Pricing:

For quantities not shown in printed/on-line catalogue, call for pricing.

### Shipping Charges and Requirements:

- Prices are **F.O.B.** point of shipment with transportation charges prepaid and charged. When routing is not specified on the order, 3M will use the most direct or least expensive method, at 3M's option.
- **Special Delivery Requirements:** If shipment of merchandise requires inside delivery or other special handling, instructions must be clearly described on order form. **NOTE:** Shippers will charge extra for this service.
- **Drop Shipments:** Orders may be shipped to more than one location. The request to drop ship part of an order to additional locations must be received with the order to ensure an accurate delivery schedule. 3M will charge **\$5.50 (G)** for each additional location and method. If specific drop shipment addresses and/or shipping labels do not arrive at 3M's factory within **three (3)** days of a complete order/proof approval, then the delivery schedule will be affected.

### Shipping Charges and Requirements (cont.):

- **Inventory Release For Notes and Cubes ONLY:** Orders requesting partial shipments to be made at different intervals are subject to a **\$65.00 (G)** additional charge per shipment. The product will be invoiced with each release as shipped. The maximum order size to qualify is catalogue end column. First release must equal at least one-third of the total PO quantity. First release must ship within normal catalogue production time. **The distributor must sign agreement of these terms prior to production.** The entire order must be shipped and billed within 180 days from 3M's receipt of the original order. Releases shipping in next calendar year will be billed at price in effect at time of shipment.
- **Inventory Release For All Other Products:** Call for availability and pricing.
- **Freight Claims:** Customer is legally responsible when merchandise is consigned to carrier.

### Speculative Samples/Prototypes:

Speculative samples are approximate representations of custom printed products. They are made for raising customer interest. Speculative sample artwork quality is only suitable to convey design concepts. A speculative sample is not a press proof.

#### • Speculative Sample Types:

**1) Virtual Samples:** Computer files that are viewed on computer screen and/or printed with a desktop printer. Readily sent via e-mail as links or attachments. Virtual samples are available for all products shown in the catalogue.

**2) Prototypes:** Physical mock-ups; usually made of paper. Prototypes are subject to availability.

- **Art Requirements:** Artwork and layout instructions are needed with all speculative sample requests.

Three types of artwork can be used:

- a) Mechanical — literature, label, photo, etc.
- b) Digital Files — including: .eps, .tif, .jpg, .ai, .bmp
- c) Internet — images downloaded or captured from the web (.jpg or .gif). Must be cropped to show intent.

**NOTE:** 3M will not create original artwork such as photography, illustrations or most typeset copy for speculative samples.

- **Pricing:** Pricing varies by product and complexity of design. Call for pricing and additional information on how speculative samples can be ordered.

### Terms:

Net 30 days from 3M's invoice date.

Visa, Mastercard and American Express accepted. ■

# Standard Typefaces

We'll be happy to prepare the camera-ready artwork for your materials. Simply give us a detailed description of the design and any special materials you want us to use (logos or trademarks, etc.). For a nominal fee, we will size your artwork, set your copy in the type size and standard typeface you select and layout and paste-up your item before we print your order. You'll save a lot of valuable time and be guaranteed a professional-looking item.

- Be sure to indicate the typeface desired on the order form.  
**If a typestyle is not specified, Helvetica 3 will be used.**
- If you decide to create your own camera-ready art, you are not limited by this selection.

## Type Sizes:

Here is a size comparison from 6 to 48 point type to help you select an appropriate point size.

E	E	E	E	E	E	E	E	E
6 point	8 point	10 point	12 point	14 point	18 point	24 point	36 point	48 point*

\*Not recommended for use within the adhesive area.

## Ink Screens

5% Black Ink ———○

10% Black Ink ———○

25% Black Ink ———○

40% Black Ink ———○

**NOTE:** "Phantom" or "shadow" printing should be minimum of 5% tint, but consideration should be given as to writeability over image printed.  
**Call for details.**

## Sheet Printing Tips

### Traditional Layout for Post-it® Pop-Up Notes

When designing sheet graphics, pay close attention to the adhesive edge on sheet and how your graphics will be used when printed on sheet.

Graphics above blue dotted line will be hidden from view in the dispenser. Ink print or laser engraving on plastic top may also obscure sheet imprint.

Graphics below green line should not have heavy ink coverage.
